Ah, could it be...
I've been hearing that a bandit group has been fairly active on the western route.
However, our route is eastern, so I haven't paid much attention.

Were you out of your mind?!
Did you not remember we were disguised when we barged into his manor!?
Why don't you just shout out loudly that I'm the boss of the bandits?!
Take him away!
Uh, u-wait!
S-boss, I apologize! Please give me one more chance
This is not something I can simply overlook!
Boss..!
I'll also be going after those who've have been ignoring my order to stay low!
And Suil.
Yes.
I need you to look into something. Follow me
...Yes.

Surprised?
House Latanan's library is the biggest in this city
Ah, our last name is Latanan. We haven't even told you our names

Yes. I've heard that the Latanan library has translated books from foreign lands.
Hohoho. well...
Anyways~ what kind of book are you looking for exactly?

I'm looking to widen my knowledge; so nothing in particular
I'd just like to have a look around your library with you permission of course
